The family man whose wife and children go to the country for the Summer months is mighty lonely from Monday morning, when he returns to the city, until Friday night, when he goes away for the week end.
Why not close the house or apartment during the Summer and take a fine big room with bath at the HOTEL BELLECLAIRE for the season, which can be secured at \$2.50 the day?
Here the family man will be able to dwell amid home environment. He will have good food, well cooked and served, just as he likes it. He will meet nice people. He will be made comfortable.
Just as a try-out come in and dine and look around. You will be able to decide then whether our claims about the BELLECLAIRE are true or not.
