LAKE HOPATCONG

HEALTH—REST and every variety of Outdoor Sport await you at this wonderful mountain lake.

A postcard or letter mailed to-day, giving us your name and address, will bring our booklet, which solves the Summer vacation problem for discriminating people of moderate means.

The Nestlé Permanent Hair Wave

It is generally believed that any permanent hair-wave, if repeatedly applied, would make the hair dry and brittle, in the end causing breakage. We contradict this, and claim that there exists no more stimulating treatment for the poorest or finest hair than the Nestlé Treatment. In other words, the Nestlé Permanent Hair Wave Treatment not only makes the hair wonderfully wavy, but it benefits the hair physically.

Our booklet, obtained free of charge from us or any of our licensed pupils, explains the treatment.

Edmund Wilson Strawberries

Are as large as small oranges. This and the three other Van Fleet hybrid strawberries are marvels in size, beauty and productiveness, with the true wild strawberry flavor. They cover the whole season, from earliest till latest.

Lovett's Pot Grown Strawberry Plants

Planted in summer or autumn, produce a crop of berries the following June. My booklet on Pot Grown Strawberries tells all about them; how to prepare the ground, and cultivate. It shows the "Edmund Wilson" in natural size and color, and accurately describes with truthful illustrations the Van Fleet hybrids and a score of other choice varieties, including the best Everbearing Strawberries. IT'S FREE. If you would have bigger and better Strawberries than you have ever had before, plant Van Fleet Hybrids.
