## WISSNER

*A Piano of The Highest Artistic Class*

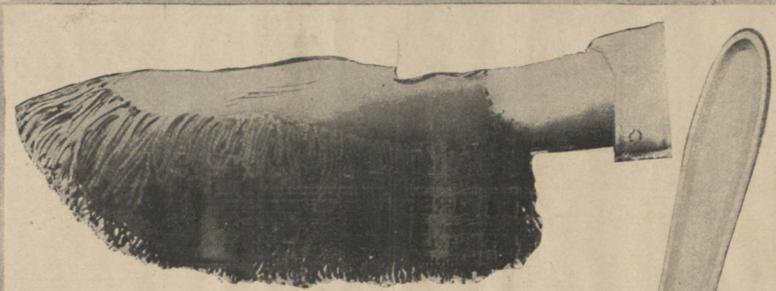

Many of the first-made Wissner Pianos are still in active use, giving consistent satisfaction. Other instruments we made have been selected for concert tours by renowned artists. Wissner Pianos for the home are built as dependably and their continuous satisfaction is guaranteed.

Our service starts with your interest, but follows the piano through all its years in your home. The knowledge of experts guards your first selection.

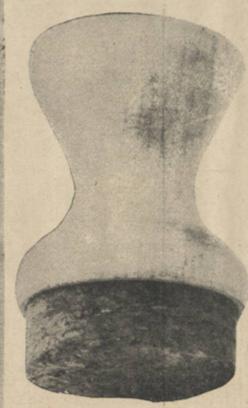

Every Wissner Piano is notable for its LIFE—let us tell you why at our show room.

**The House of Quality!**

**WISSNER WAREROOMS.**  
53 E. 34th St., New York  
55-57 Flatbush Ave., Brooklyn  
Warerooms in Jersey City, Newark and other cities.

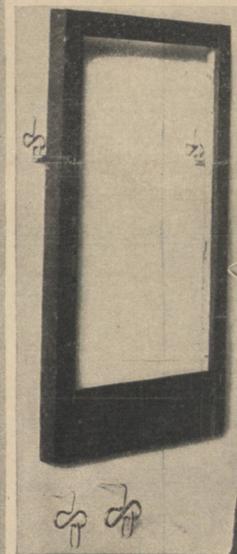

**SHINO MITTEN DUSTER.** Made by Pioneer Mfg. Co., Harvard Ave. and E. 103rd St., Cleveland, Ohio. It looks rather like the paw of some plenteously bewhiskered animal, but really it is a most competent dusting cloth that absorbs the dust and polishes the article dusted. Made of chemically prepared yarn that will wash. Price, 50 cents.

**KORKER KLEANER.** Made by the Grace Mfg. Co., 42 West Broadway, New York. A silver cleaner made of cork, glue and carborundum, fitted into a wooden handle, that is excellent for applying cleaning powder to all sorts of tableware, silver and metal dishes. Price, 10 cents.

**STEARNS NUT CRACKER.** Made by E. C. Stearns & Co., Inc., Syracuse, N. Y. This nut cracker fastens to the edge of the table and cracks nuts as fast as you can put them in and work the lever. Also, it confines its fracturing ability to the shell, leaving the meats whole. Any cook will understand what this means. The double hook below holds a small pail. Price, \$1.25.

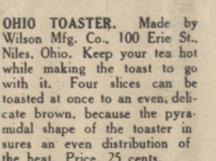

**ANCHOR PICTURE HOOKS.** Made by Buffalo-Dehn Co., Buffalo, N. Y. If you have rather small, light pictures to hang, try these handy little hooks. Put the screw-eyes in the back of the frame; place the picture against the wall, mark with the screw-eyes; then drive in the hooks. If the picture is not level, stretch or close the wire loop. Three sizes, 10 to 25 cents a package.

**LUMINOUS RADIATOR.** Made by Westinghouse Electric and Mfg. Co., East Pittsburgh, Penn. An unusually convenient, clean and safe little heater for bathroom, nursery, or wherever special warmth is required on a chilly day. No flame, smoke or fumes; absolutely safe. Made in three sizes, with two, three or four cylindrical bulbs. The two-bulb size can be run from an ordinary lamp socket. Prices, \$10 to \$15.

**B.B. WINNIE PARING KNIVES.** Made by Harrington Cutlery Co., 258 Broadway, New York. Only one little knife is shown here, but the family is three in number—all with a strong likeness to another and all eminently efficient for paring and all kinds of small kitchen tasks. Price, 15 cents.

**OHIO TOASTER.** Made by Wilson Mfg. Co., 100 Erie St., Niles, Ohio. Keep your tea hot while making the toast to go with it. Four slices can be toasted at once to an even, delicate brown, because the pyramidal shape of the toaster insures an even distribution of the heat. Price, 25 cents.

**NORLUND HOT PAN LIFTER.** Made by Norlund Novelty Co., Wiltsport, Penn. Look closely and you will see how the jaws of the lifter are made of one piece of metal, which works easily on the pivot and is balanced by the weight of the disk-like opposite end. The method of gripping the pan is illustrated here. Price, 15 cents.

**AUTOMATIC ELECTRIC WASHER NO. 4.** Made by the Automatic Electric Washer Co., Newton, Ia. This is a machine of the "dolly" type that washes and wrings with the best. Its peculiar feature is that it also does many other things—thanks to its Universal Rod Drive. Price, \$60; Universal Rod, \$2.

### WIZARD CLOCK

No other clock like the WIZARD. It will do what no other clock can do.

I'm a WIZARD of a CLOCK

I can WHISPER—I can TALK and the language that I speak is BOLD and CLEAR. In the Morning—start of heart, I will wake you with a start and my voice will then be heard both far and near. But if little baby's sleep—you can hardly hear it, then I whisper—barely whisper—that is all, and the nurse can hear me say long before the break of day that it's her and not the baby that I call. Or if you have to catch a Car To travel near or travel far, with a loud upon my face I'll watch for YOU and I'll tell you when to go for I'm always sure to know and the worry that you're asked you'll never run in the kitchen I'm at home—and the maid will never roam far I help her do the work for which you pay—when the Master wants eggs hard or the pie requires more lard—I'll keep those facts in mind throughout the day. And I ring—ring—ring right on TIME I always sing whether SECONDS, HOURS, or MINUTES you select. And you'll find me strong and true, worth the price and MORE to you, and I'm always guaranteed against defect.

The WIZARD is the most useful alarm clock on the market. Price \$3.50. If your dealer cannot supply you we will, Postage prepaid, on receipt of price. Tested and approved by N. Y. Tribune and Good Housekeeping Institutes.
