Plant In Your Window Garden

OUR "NONE BETTER" COLLECTION OF 18 STARTED BULBS

8 Wonder Crocus, 4 Roman Hyacinths, 6 Paperwhite Narcissus, and have beautiful blossoms, sweet and gay, in abundance amidst luscious green foliage, for two and three months to come.

PLANT THEM NOW and have flowers on Thanksgiving Day, Christmas, New Year's and all other days between.

Some of them, like the blue Crocus, will start to bloom at once; the Golden Zone variety—new and very, very pretty in its rosy-lilac tints with gold—about Thanksgiving, and all will be in their glory on the holy days, "the favorite Paperwhites, as well as the Roman Hyacinths, timing in New Year's with their alabaster bells."

We consider this collection as the one offered last year, sold by the thousands and praised by every buyer, but the price is the same, \$1.00.

1/2 Coll. 60c. Delivered Free East. \$1.25. Delivered Free West of the Mississippi. 1/2 Coll. 75c.

All bulbs guaranteed to bloom in pebbles and water, soil or fibre!

As the quantity is limited we advise to order at once with money order, cash or stamps.

An innovation in alarm clocks—A "Precisional" Reminder.

Whenever I am set to work, I always labor—never shirk. I watch the seconds rolling by and count them with a waiting eye.

A quarter minute means to me just fifteen seconds and you'll see that I will ring right on the dot—I'm the wisest clock you ever bought. What other clocks will claim to do—I'll do them all of time.

The "Dependable" Clock. They ask—I promise to do any task you think that any clock should do. May I come home and work for you?

The WIZARD is the most useful alarm clock on the market. Price \$3.00. If your dealer cannot supply you we will. Postage prepaid on receipt of price.

WESTINGHOUSE ELECTRIC TOASTER STOVE. Made by the Westinghouse Electric and Mfg. Co., East Pittsburgh, Penn. Is as much fun as a picnic. You can sit at the table and make toast or hot cakes, grill a chop, fry bacon, eggs or potatoes, and generally play at cooking. Price, \$6.

WALKER HAND DISHWASHER. Made by Walker Bros. Company, Syracuse, N. Y. This is a dishwasher that is worth the room it takes in the kitchen, because it is of real and practical value to the housewife with a family of moderate size. It is like the electric dishwasher made by the same manufacturer and illustrated in these pages two weeks ago, except that it is run by hand. It can either stand on a portable metal base or be fastened to a wall bracket and connected with supply and so is generally a labor-saver. Comes in two sizes. Prices, \$24 and \$30.

IMPROVED TELLER KNIFE. Made by R. K. Teller, Unadilla, N. Y. The quaint shape of this little implement is purely utilitarian. Its irregular sides and corners are given this special form because it helps the knife to insinuate itself into corners and angles and scrape them clean. Also, it helps a lot in separating hot cakes or cookies from the parent pan. Price, 10 cents.

THERMOS THERDUC LUNCHEON KIT NO. 220. Made by the American Thermos Bottle Co., 35-37 West 31st Street, New York. A lunch-box and a thermos bottle in a neat little suitcase is enough to reconcile even a school-boy—or a girl who hates bundles—to carrying a nourishing luncheon to school. The bottle holds hot soup, cocoa or any other nourishing drink, and the box keeps the luncheon fresh and dainty. Price, complete, \$4.
