**The Gift Fairy's Christmas Hamper**

The Christmas Fairy's here again and we know what he brings—a fat and sturdy hamper—just a-bursting full of things: a basket-like the grown-ups have, with padlock and a key, and every little gift inside wrapped up so none can see.

Just tell us "bout that little girl or all about that boy and we'll pick out the presents so they'll give the mostest joy. One week before the Twenty-fifth we send ahead the key, just saying "something's coming", and to guard it carefully.

Then when the Hamper comes along just wait and watch the fun—it's really Christmas! Don't you wish the Fairy'd bring you one.
