

A PLAGUE is sweeping the Isle of Man and the people present themselves to the Bishop of Man (Sidney Bracey) for his blessing and relief.

THE ANCIENT harbor of Peel was reproduced at Block Island. The fishing boat of Dan, the Bishop's son (Mr. Caine), is in the background.

THE ROLE of Mona, the Deemster's daughter, who is Dan's sweetheart in spite of her father and brother, is played by Marian Swayne.

MONA FINDS her brother dead by the hand of her sweetheart.

RAIN AT Block Island produced the anomaly of a man dressed in goat skins bearing a modern silk umbrella.

DAN'S FATHER orders him into exile when the Deemster would have Hill, the Manx...

DAN COMES back to his stricken people with the dead priest's cure for the plague. The thatched stone huts were built in representation of the Manx fishing huts.

DAN FINDS the Deemster, his greatest enemy, stricken with the plague. His atonement for the murder of the Deemster's son comes when he gives the stricken man the last remaining dose of the cure.
