An Unusual and Appropriate Gift — A Constant Reminder of the Giver

"THE WIZARD"

A Wonderful, Dependable and Precise Reminder of Things To Be Done

The WIZARD of Time The "Dependable" Clock.

No other clock like the WIZARD. The WIZARD will do what no other clock can do; it will alarm with loud ring or signal with soft buzz as desired. Its computing bezel, precision feature alone opens up a field of usefulness for the WIZARD beyond the sphere of any other alarm clock. It will notify at any predetermined time minutes or hours away, always at the exact minute. It will set from the face instantly for any fractional interval and alarm stop and reset automatically when computing bezel is turned for another "minute" interval. The WIZARD is the most useful alarm clock on the market. Price \$3.50. If your dealer cannot supply you we will. Postage prepaid on receipt of price. Tested and endorsed by Tribune and Good Housekeeping Institutes.
