

LA VIERGE CONSOLATRICE. This is a life group after the wonderful painting of Bouguereau, faithful to detail except for the dead baby which lies at the feet of the central figure. It was posed at a charity fete in the mansion of Mrs. William B. Leeds, in London. Mrs. John Lavery, wife of the famous English artist, who was a Chicago girl of social note, is the virgin. The sorrowing mother is Miss de Trafford, daughter of the Baron de Trafford.
