## HOTEL BELLECLAIRE

NEW YORK

Broadway at 77th St.

Surface Cars at Door

Subway at 79th St.

Only a few minutes from Shopping and Theatrical District.

The HOTEL BELLECLAIRE wishes everybody, everywhere a joyful Christmas. But wishing it won't bring it to pass everywhere—more is the pity.

We would like to be able to reach out all over the world and put into the homes of all people the peace, the good will, the happiness, the comfort, the good things to eat that those of us in the BELLECLAIRE are blessed with.

Would it not be wonderful if we could all wake up to-morrow morning and know that "Peace on Earth" actually existed?

The BELLECLAIRE family will enjoy Christmas because a naturally happy family cannot allow its sympathies for those less fortunate to wholly shut out the joy of the day.

We are sure that the members of the BELLECLAIRE family have provided for the joy of many others to-morrow, so that there is every reason why they should enter into the spirit of the day—and they will.

If you are lonely to-morrow come in and dine with us—morning, noon or night. You will get a good meal—you will get more. You will be in a happy, friendly atmosphere. It will cost you something for your meals, but you will get all of the rest without cost. Happiness cannot be sold, anyway.

ROBERT D. BLACKMAN.

# THE TRIBUNE INSTITUTE

conducted by The New York Tribune

ALL HOUSEHOLD APPLIANCES ILLUSTRATED ON THIS PAGE HAVE BEEN TESTED AND APPROVED BY THE TRIBUNE INSTITUTE

DETAILED DESCRIPTIONS OF ALL THESE UTENSILS ON PAGE 6, PART IV.

FRANTZ PREMIER ELECTRIC CLEANER. Made by the Frantz Premier Co., Cleveland, Ohio. Easily handled as a carpet sweeper, this portable electric suction sweeper is all the housewife could desire for the daily "picking up" as well as the thorough cleaning of rugs, draperies and furniture each week.

It has twenty feet of tubing with lamp socket connection. 1 1/2 cts. an hour covers operating cost. Price, \$35. Extra tools for walls and furniture, \$8.50.

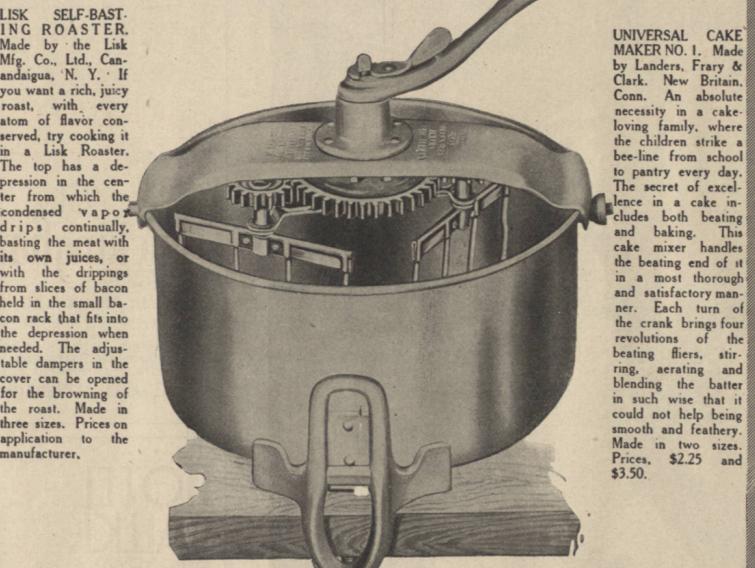

WESTERN ELECTRIC RANGE. Made by the Western Electric Co., 195 Broadway, New York, N. Y. In spite of the fact that the high rates for electricity in many of our cities and towns oblige most persons to class electric ranges among the luxuries, the day is clearly coming when they will be regarded as necessities in well-equipped kitchens. The range shown here is an excellent example, clean, efficient, accurate, convenient. These ranges cost anywhere from \$17 to \$140. Price of this model, No. 56, from \$110 to \$120.

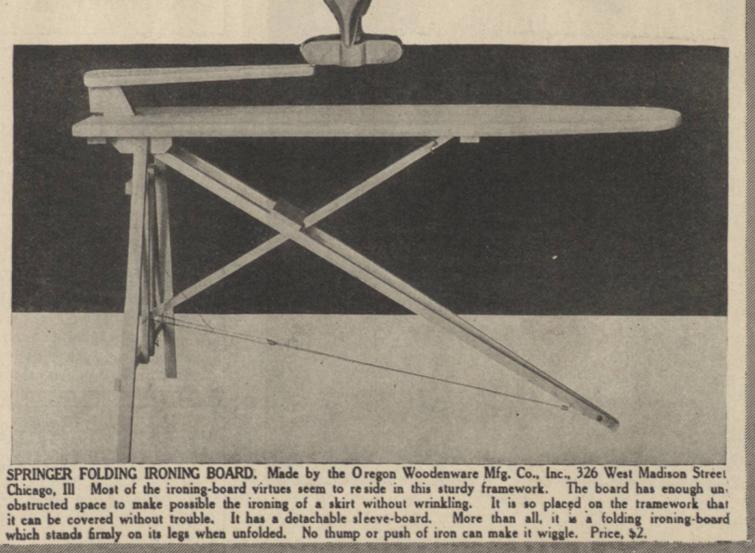

LISK SELF-BASTING ROASTER. Made by the Lisk Mfg. Co., Ltd., Canandaigua, N. Y. If you want a rich, juicy roast, with every atom of flavor conserved, try cooking it in a Lisk Roaster. The top has a depression in the center from which the condensed vapors drip continuously, basting the meat with its own juices, or with the drippings from slices of bacon held in the small bacon rack that fits into the depression when needed. The adjustable dampers in the cover can be opened for the browning of the roast. Made in three sizes. Prices on application to the manufacturer.

UNIVERSAL CAKE MAKER NO. 1. Made by Landers, Fray & Clark, New Britain, Conn. An absolute necessity in a cake-loving family, where the children strike a bee-line from school to pantry every day. The secret of excellence in a cake includes both beating and baking. This cake mixer handles the beating end of it in a most thorough and satisfactory manner. Each turn of the crank brings four revolutions of the beating fliers, stirring, aerating and blending the batter in such wise that it could not help being smooth and feathery. Made in two sizes. Prices, \$2.25 and \$3.50.

SPRINGER FOLDING IRONING BOARD. Made by the Oregon Woodenware Mfg. Co., Inc., 326 West Madison Street, Chicago, Ill. Most of the ironing-board virtues seem to reside in this sturdy framework. The board has enough unobstructed space to make possible the ironing of a skirt without wrinkling. It is so placed on the framework that it can be covered without trouble. It has a detachable sleeve-board. More than all, it is a folding ironing-board which stands firmly on its legs when unfolded. No thump or push of iron can make it wobble. Price, \$2.
