Our guests and their friends and friends of the hotel will be permitted to usher in the New Year to-night in a quiet way—just as families sit up in their homes until the Old Year goes out and the New Year comes in.

There will be music by our regular orchestra, which is conceded to be one of the very best in the city, until a few minutes after midnight. Usually the music stops at 9:30, but on this occasion the boys want to entertain us with their very best selections, giving us an unusually fine Sunday night concert. It will help to pass the time pleasantly while we are sitting around.

The dining rooms will be open, as usual, until midnight. That is the closing hour on Sunday. Other nights they are open until 1 o'clock and sometimes later, as they will be to-morrow night, when we are going to celebrate the coming of the New Year in the accustomed fashion—lots of fun, splendid favors, a good midnight supper, etc.

The Watch Meeting to-night will be a very pleasant home-like affair—but to-morrow we will give 1917 a royal welcome—maybe all the more intense because of the enforced delay.

The Belleclaire obeys the law. And now, good people, we wish you all a Very Happy, a Very Prosperous, a Very Peaceful New Year.

ROBERT D. BLACKMAN.

VULCAN HEATER  
W.M. CRANE CO. N.Y.

ECO-THERMAL FIRELESS GAS RANGE. Made by the Eco-Thermal Co., Warren, Ohio. This is the range which cooks by itself. You can put your dinner in the cold oven, turn on the gas until the thermometer in the door indicates the right temperature, then turn off the heat. The insulated oven does the rest. Price, \$100.

VULCAN COIL WATER HEATER. Made by the Wm. M. Crane Co., 16 West 32nd St., New York City. An efficient water heater is a necessity in many households. This one heats water enough to wash the dishes in ten minutes; enough for a bath in half an hour. Price on application to manufacturer.

PEERLESS FRUIT AND VEGETABLE EYER. Made by the Hardware Specialty Mfg. Co., 4410-18 Ravenswood Ave., Chicago, Ill. Merely a little sharp-edged and sharp-pointed spoon, but it does the work. Price, 10 cents.

WESTERN ELECTRIC WASHER AND WRINGER. Made by the Western Electric Co., 105 West 40th St., New York. A washing machine of the revolving cylinder type, which washes the clothes thoroughly without undue wear on even the most delicate fabrics. The motor can be used for running other devices. Prices, \$65 to \$175.

UNIVERSAL ELECTRIC MILK WARMER AND WATER HEATER. Made by Landers, Frary & Clark, New Britain, Conn. In this compact little heater a pint of water will boil in eight minutes and the baby's bottle of milk can be warmed to the proper temperature in six minutes. A safety fuse plug turns off the current if the vessel boils dry. Price, \$7.50.

VULCAN CAKE GRIDDLE, No. 115. Made by the Wm. M. Crane Co., 16-20 West 32nd St., New York. No trouble in cleaning this griddle! It has a smooth top and no turned-up edge to catch and hold burned-on grease. It heats in about ten minutes with the full flame of gas, then bakes cakes perfectly with the gas turned low. Four cakes can be made at one time, browning quickly and evenly. The even heat is due to the conical steel heat reflector which is attached to the under side of the griddle top and serves to distribute the heat. Price on application to manufacturers.
