A Garden Full of Gladioli for \$1.00

The Gladioli is one of the most satisfactory flowers grown because it blooms continuously when it is cut and put in water, just as well as when in the ground.

There is no reason why every family cannot enjoy this grand flower, for the simple reason that it is as easy to grow as the potato. You can have them in bloom from July to frost if you plant a few bulbs each month from April to July. For only ONE DOLLAR we will send 75 Bulbs of our Grand Prize variety, which covers every conceivable shade in the Gladioli kingdom.

Last year we sold thousands of these bulbs and have received numerous testimonials as to their merits. ORDER YOUR BULBS NOW so as to have them to plant when you begin making your garden.
