VICTROLAS

HEMPEL, Gluck, McCormack and other artists are frequent visitors at our stores.

Their personal talks to Landay salespeople have no small influence on the quality of the Record Service Landay's is giving its customers.

Besides being able to discuss intelligently each Victor record, Landay salespeople are thus able to express their views of leading artists regarding their own records and others which they particularly enjoy.

We take this means of expressing the appreciation of the Landay organization for the general personal interest taken by these artists in our record service.

\$5 will put one \$100 Victrola, with \$5 in records (total \$105), in your home.

By the way—have you heard McCormack's exquisite record, "Because"—No. 6443—\$1.00?

More House for Less Money

BY the Bossert modern method of building a great many savings in materials and labor are effected.

The time and money saved go into better plans, better materials, and you get the benefit. Before you build, before you go away this summer, investigate

Bossert Houses

Every house has its own individuality, yet shares in the savings effected by large buying of material and efficiency in manufacture. The economical Bossert method of construction makes it possible for us to deliver a beautiful little Colonial House like the above, with two 9x12 bedrooms, a 9x13 living room, kitchen and bath, with screens, lattice work and benches included in the price.

Price: Eleven hundred dollars complete, f. o. b. Brooklyn. Two men can erect this house in three days; not even a nail to buy. Send 12 cents today for complete catalog showing Bossert details of construction. We also manufacture the smaller "portable" or "knock down" houses.
