August--a Month of Exceptional Prices

VERY likely you have seen Hathaway Furniture in the smarter apartments of New York and in the more attractive country homes nearby. But have you become acquainted with Hathaway Furniture at first hand? This is an invitation to see it for yourself—to see it in the favorable circumstances of our August Sale.

This solid mahogany arm chair of authentic lines is a very attractive offer. Regularly \$19.00. Special Price \$14.50.

And we use the word Sale advisedly. It is an occasion when we frankly give all of our suites and single pieces lower markings than we did in July or than we shall in September. But the style of them, the quality of their workmanship and materials, is not lowered. Every piece is as well designed and well made as the Hathaway Furniture which you may have seen in some friend's Park Avenue apartment or country home in Garden City or Scarsdale.

You may want to refurnish a whole house at this time or you may want only a piece or two of exceptionally good furniture. In any case the examples shown here are merely typical, but the prices will give you a real conception of the extraordinary values which will prevail through the coming month. Among the many special offerings are:
