and peril and need,  
The people will waken

And the midnight mes-

Do the Prices or the Styles Appeal Most?

USUALLY style is the first thing you notice about Hathaway Furniture. But through August our prices are so extraordinary that perhaps they overshadow the quiet, unobtrusive fashion of this furniture.

People come here because they know their taste will be satisfied. They come because the name Hathaway stands for style leadership and thorough reliability in materials and workmanship. And they come because they know that we know that giving big values is more important in business than making big profits.

Look at these typical offerings. Remember that the assortments of other single pieces and suites are very large. Make your selections as early as possible and if you prefer a deferred delivery, we can arrange it. A few typical offerings:
