

STA-RITE CORSET

THE CORSET THAT STAYS FASTENED

*Easy to clasp—Easy to unclasp
Cannot unclasp of its own accord*

Women's Sta-Rite Corset
No. 22—Of fancy pink silk brocade for average or full figures; low bust, long skirt; slight hip and back.
Price 7.50

THE Sta-Rite Corset solves a problem which has perplexed corset makers and corset wearers for years. In reality, the Sta-Rite Corset has three clasps that act as one! A slight pressure of the fingers on the spring and all clasps come together simultaneously. Reverse the pressure and the clasps are instantly released. No pinching of the flesh. No tearing of undergarments. No trouble with the front steel. No unlacing in the back when you take the corset off. No ruffling with hooks and eyes. No contortions to clasp it or unclasp it. And no possibility of the corset unfastening of its own accord.

Women's Sta-Rite Corset
No. 24—Of pink or white brocade cotton pique, for slight or medium figures; girder top inset with rubber band, extra long skirt.
Price 5.00

Simple Certain Effective
