AS ENDURING as the MARBLE of the SCULPTOR

ODAY the art of the great master pianists is preserved forever. A new era has dawned. The Ampico Reproducing Piano, the modern miracle of the pianoforte, preserves forever the playing of the great pianists of today. Tone for tone, tempo for tempo, each minute cadence will come to you with the glowing magnetism of the gifted artist. The Ampico has made immortal the pianistic genius of the modern giants of the pianoforte.

Imagine an instrument which reproduces the playing of temperamental concert pianists so faithfully as to convince the most experienced musicians! An instrument that will bring such great artists as Godowsky, Ornstein, Carreno and Bauer to play for you in your own home! The Ampico does this, as proved again and again in public Comparison Concerts, at which some of the greatest living pianists have participated in a direct comparison of their playing with the Ampico's reproductions. It has made the genius of the concert artist as enduring as the marble of the sculptor.
