

MALLINSON'S Silks de Luxe

FASHION Masters designing spring styles for outdoor wear turn to

KHAKI-KOOL

for inspiration. This wonderful fabric, so sturdy in weave, so rich in lustre, so vigorous in character, cannot fail to produce ultra modish effects for outdooring.

Khaki-Kool is always in style, always becoming, always preferred and worn by the women whose clothes win admiration wherever they go.

Khaki-Kool is sold at fine stores and in fine garments.

Look for its name on the selvage or in the garments.

Other notable Mallinson creations are Roshanara Crepe, Ruff-a-Nuff, Slendora, Amphora, new effects in Pussy Willow and Indestructible Voile (all trademark names).
