# “Hey, Tom!”

Do you remember when Tom Sawyer went swimming and had everything hidden so carefully so that Aunt Polly couldn't find out?

Aunt Polly had sewed up his shirt that morning.

But Tom had carefully re-sewed it, so he thought he was safe. But alack and alas, he used black thread instead of white.

Once more you will laugh with Tom Sawyer and Huck Finn—but you will want to cry as you laugh. For behind the joy of youth is the reality of life—the philosophy you did not see when you were a boy.

## MARK TWAIN

25 VOLUMES

Novels—Boys' Stories—Humor—Essays—Travel—History

While he lived, we loved him. He made us laugh, so that we had not time to see that his style was sublime, that he was biblical in simplicity, that he was to America another Lincoln in spirit.

We watched for his great white head in the crowds—we hung on his every word—we smiled, ready to laugh at

his least word. But now he is gone—yes, he's the familiar friend—but he has joined the immortals. More than Whitman—than Longfellow—than Poe or Hawthorne or Irving—he stands for America—with the greatest of the earth—the Homer of this land—a prince of men—a king among dreamers—a child among children.

### The Great American

He was American. He had the idealism of America—the humor, the kindness, the reaching toward a bigger thing, the simplicity. In this work we find all things, from the ridiculous in "Huckleberry Finn" to the sublime of "Joan of Arc"—the most spiritual book that was ever

written in the English language, of serene and lovely beauty, as lofty as Joan herself. A man who could write two such books as "Huckleberry Finn" and "Joan of Arc" was sublime in power. His youth and his laughter are eternal; his genius will never die.

### The Low Price Sale Must Stop

Mark Twain wanted every one in America to own a set of his books. So one of the last things he asked was that we make a set at so low a price that every one might own one. He said, "Don't make fine editions. Don't make editions to sell for \$200 and \$300 and \$1,000. Make good books, books good to look at and easy to read and make their price low." So we have made this set. And up to now we have been able to sell it at this low price.

much more than this Author's National Edition. A few months ago we had to raise the price a little. That raise in price was a very small one. It does not matter much if you missed it. But now the price must go up again. You must act at once. You must sign and mail the coupon now.

Remember that it is because Mark Twain sacrificed some of his royalties that you can have a set at this price at all. Take advantage of that kindness that was so characteristic of him. Send the coupon now.
