HOTEL BELLECLAIRE
NEW YORK

Broadway at 17th St.
Surface Cars at Door
Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

A young lady remarked the other day: "I never ate better Ice Cream than I get at the Belleclaire and never have I been served anywhere with as large a plate of it. To get good Ice Cream and a large portion of it is very gratifying to me."

This comment reminds me that the portions of everything served at the Belleclaire are unusually generous—just like the heaping platefuls that were served to us when we were boys back home.

The best of everything and plenty of it makes the Belleclaire liked so well by its patrons.

We are not given to serving frills and style at the sacrifice of ample portions of good food. And now we are conserving on the number of dishes listed on our menu, but that's all.

We give you plenty to eat—all anybody needs—but we are eliminating waste.

Incidentally this hotel obeys the orders of Mr. Hoover to the letter.

The Standard Player Piano

YOU, too, can play the patriotic anthems, all the musical masterpieces, and the lighter airs that charm and delight. Music at home makes the "old folks" young again, and the young people younger.

Music is the universal tonic and uplifter. It is an inspiration to great deeds and beautiful thoughts. When the mind is weary music brings new hope and courage.

The Standard Player Piano—made by the craftsmen who build the famous Hardman, the official piano of the Metropolitan Opera Company—makes a musician of everyone. Play it here today.
