Over 200 Years of Instrument Making

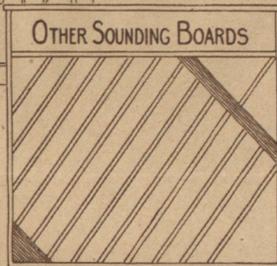

The wondrous melodies of the world's music masters are yours to have with the marvelous

WURLITZER REG. U. S. PAT. OFF. Player Piano

The Wurlitzer Double Sounding Board—the most important single improvement ever made in a piano.

The Wurlitzer Double Sounding Board sustains tone twenty-five seconds longer, producing a deep, rich singing tone not found in other pianos.

Ysaye and the House of Wurlitzer

The great master Eugene Ysaye wrote in the Golden Book of the Wurlitzer House:

"The most marvelous thing about your collection, my dear Wurlitzer, is that there is not even a mediocre violin amongst them."

The Musical Achievement of the Century

The Wurlitzer Player Piano is the supreme Player Piano, viewed from the standpoint of piano perfection. Tone color, volume, and responsiveness to your will, the chief elements in the modern Player Piano, are so strikingly perfect in the Wurlitzer Player Piano that they instantly reveal to you the marks of superiority that are plainly written into every phase of this noble instrument.

For over 60 years the energies of our entire staff have been focused upon just one GOAL—THE PERFECTION OF OUR MUSICAL INSTRUMENTS. Today the Wurlitzer Player Piano is offered to you as one of those rare musical

gems that could come probably only through long schooling, long study and long devotion to a great principle. With the Wurlitzer Player Piano musical wealth of the rarest form will be placed in your hands for your own enjoyment, for your own entertainment and education.

If you wish to play the music of the Old Masters, it is yours. If fancy turns you to lighter moods, you will find everything that you might wish for also at your command; songs and music that touch the heartstrings of 20 million American homes are yours for the asking. In fact, all you wish you may command with the Wurlitzer Player Piano.
