**By The House of KUPPENHEIMER**

SPRING Styles in Clothes for Men are strikingly simple—the fripperies which frequently camouflaged cheapness are gone. Good fabrics are scarce, prices are high, cheap clothes never looked cheaper, while good clothes by comparison never looked so good. Kuppenheimer Suits and Coats, \$25 to \$60.

**"Um-m-m-m!"**

NO WONDER it's so juicy-jummy and sweet!—It's made from fruit picked from a Hicks Fruit-tree.—And we say with all the experience and prestige gained from sixty years of service to home gardeners, that the fruit you will pick from the Hicks Trees in your back or front yard will be fresher, juicier, sweeter and more luscious—tastier in every way—than the market fruit you buy! To say nothing of the saving in money and the fun of growing your own!

Flower, vegetable and fruit gardening can be combined on the smallest suburban lot—our new book, "Home Landscapes," free on request, will show you how. To prove that a small outlay will go a great ways in fruit-gardening, here's a special \$5 offer: 2 Apple Trees, 1 Pear, 1 Plum, 5 Grape Vines, 25 Raspberries, 5 Rhubarb, 5 Currants—all for \$5.00, if you act soon, and mention *The Tribune*. Send for the free book, anyway, to-day.
