Hear the Ampico

The AMPICO  
Reproducing Piano

Until you have heard the Ampico, probably nothing that we can say will convince you that a perfect reproduction of the pianist's art has at last been achieved.

You will see only the Knabe piano, with its rich simplicity of case design and perfection of line—but what a flood of golden melody comes forth from its case! Invisible fingers sweep the keys. Godowsky is playing a Chopin Etude, and the sparkling tide of perfect melody is reproduced by the Ampico as faithfully as if the artist himself were seated at the piano.

You won't believe the simple truth about the Ampico until you hear it. We want that to be soon—come in whenever it is convenient and we will hold an Ampico concert for your pleasure. Choose your own program—great classical works, light opera, musical comedy hits, delightful dance music. The Ampico will bring the supreme pleasure of music to your home.

And sprinkle in the Foot-Bath. One war relief committee reports, that of all the things sent out in their Comfort Bags, or "Kits," Allen's Foot-Ease received the most praise from the soldiers. The American, British and French troops use it, because it takes the friction from the shoe and freshens the feet.  
The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. Why not order a dozen packages Foot-Ease to-day to mail to your soldierly friends in training camps and in the army and navy. Sold by Druggists and Dept. stores everywhere. 25c.
