ROMELINK
Cravenette Finished
RESISTS WATER

Elsie Janis says:—"You make your Romelink hammocks so comfortable that I want to spend the entire day in mine."

ROMELINK SWINGING COUCH HAMMOCKS

measure full 28 inches in depth and 72 inches in length—big and luxurious in every detail, with a wonderful comfort.

Romelinks are the only hammocks made with the new Cravenette Finish—look for the label.

Romelinks are upholstered in fabrics of rich and colorful charm. Somewhere in the range is exactly the color-scheme you want.

Their low, easy Romelink arm rest is another exclusive feature.

See the Romelink outfits tomorrow—all styles, sold complete or separately, at widely ranging prices—now being displayed by the most representative department, housefurnishing, and sporting goods stores.

MANHATTAN-ROME COMPANY Long Island City, New York

HOTEL BELLECLAIRE
NEW YORK

Broadway at 77th St.
Surface Cars at Door
Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

The Belleclaire has 300 rooms which are occupied practically all of the time by permanent and transient guests, due to the fact that people everywhere know that this hotel specializes in home comforts.

The main dining room, the Palm room, and the Grill, furnish ample accommodations for guests, with tables to spare for our New York friends who come here to get a square meal when they long for good home cooking of good food.

Apparently there are many thousands of people living in this big town who have fond recollections of mother's good cooking back in the farm days and they come to the Belleclaire to get the nearest approach to it.

The Belleclaire is not a Big Crowd hotel; it cannot entertain great numbers; but no hotel in all America entertains a better kind of people.

We are very proud of our guests. They have certainly come to the front in splendid fashion since war was declared. They have contributed magnificently to all demands of war. They are Americans clean through. They are willing to make every kind of sacrifice.

Of course, genuine Americans everywhere are doing their duty, but it is a pleasure to us to house only the very highest type of American men and women.

Robert D. Blackman, Prop.

ARE you a friend of the birds? They require food and shelter, and our evergreens will give just the shelter and nesting sites they need. Remember, too, that the birds will help to destroy insects and pests that injure fruit trees, plants, etc. Nothing attracts the birds more than tangled thickets of berry-bearing shrubs. 67 species feed on Elder; 40 species feed on Dogwood, Sumac, and Wild Cherry; 25 on Blueberry and Bayberry; 15 or more on Holly, Viburnum, and Juneberry; 10 feed on Spicebush, Snowberry, Barberry, Winterberry, Photinia, Indian Currant, and Bush Honeysuckle. These bright-berried plants for the birds are a specialty with us. We will send you 10 assorted plants for \$1, or 50 plants for \$4.50, or 100 for \$8—all prepaid. Yes, you can plant them right now, successfully—we guarantee that, or will replace them free. Send in your order at once.
