HOTEL BELLECLAIRE
NEW YORK

Broadway at 77th St.
Surface Cars at Door
Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

The Hotel Belleclaire was able to keep its guests very warm all through the very cold weather of last winter. They have not forgotten how we took care of them.

Most of those who lived with us all through last fall, winter and spring will be with us again the coming season—but some will not return because of changed conditions in their lives.

This war has upset the plans of many people.

We have a few apartments to lease for the coming season. They will be taken soon, no doubt, so this is a word of advice to come around as soon as possible if you want to live with us and enjoy all the comforts of a home of your own.

It is mighty nice of a cold winter morning to step out of bed into a nice, warm room, and to be sure that the bathroom will also be warm and with plenty of hot water.

It is mighty nice to be sure of a warm dining room and a good, hot breakfast, well-cooked and nicely served.

It is the pleasant morning hour or two that gaits everybody properly for the day's work or pleasure.

The Belleclaire specializes in giving permanent and transient guests comforts and satisfaction 24 hours every day.

Robert D. Blackman, Proprietor.

HAVE you a tennis-court,—with an ugly enclosure that you and your friends have taken for granted? One look at this picture, showing how to camouflage a wire backstop with climbing roses—and you should first admire, then envy, then feel ashamed—then, we hope, resolve to go and do likewise! Or, if you prefer, ask us to come and do it for you. The beauty of this miniature Niagara of gorgeous color defies description. It'll be the talk of the neighborhood—and not for just one brief season, either, for once properly planted, these trailing rose clusters require no tender care or constant expense, but on the contrary "support themselves" and grow wondrously in beauty from year to year. If you have a sloping bank, a retaining wall or terrace, a bare fence—any similar "problem"—tell us about it quick, and let's conspire to smother it in radiant rosy beauty.
