

Another beautiful French chateau at Ribecourt, in the Somme region, converted into a mere shell. *French Pictorial.*

The southeast Renaissance facade of the Plessis de Roye chateau. *French Pictorial.*

The Hun left his card at Tiesly chateau. *French Pictorial.*

WHAT THE HUN LEAVES BEHIND HIM

But the Hun is also leaving some of his esteemed countrymen. In the circle above we see a tough looking Austrian, and in the picture below that, some intellectual German types. *Underwood & Underwood and Kadel & Herbert.*

These German boys are so glad to be prisoners that they just grin like this all the time. *French Official from International.*

Here are some German prisoners just captured by our own boys. Handsome is putting it mildly. *International.*
