The Dental Cream That never Hardens

A Chemical Fact

Regarding Tooth Pastes

ALL that any dentifrice ought to do is to thoroughly clean the teeth, and that dentifrice is best which cleans them best. For the rest intelligent people go to a dentist. The dentifrice that claims to be loaded with powerful drugs and chemicals to cure disease implies that it hasn't room for cleansing ingredients.

ALBODON DENTAL CREAM is a toilet article, not a medicine. It contains the highest percentages of cleansing and polishing properties of any dentifrice on the market, so is certain to clean your teeth best. It has in addition harmless antiseptic properties that keep the mucous membranes of the mouth healthy—so safely antiseptic that a baby can use it.

And with it all ALBODON is economical. Used twice a day, a single tube will last one person five to six weeks—it contains no "fillers."

The AMPICO

Bachelors De Luxe

"One day last winter I met my wife in town and we stopped in the Knabe Warerooms for a moment to select a piano for the children's lessons. I heard an instrument playing Chopin exquisitely. It was playing alone—not a hand touched it. Then it dawned on me that this wasn't the ordinary player-piano—here was a new instrument, such as I had never dreamed possible.

"Here were form and fullness and personality in every bar. Golden melody, sparkling with genius, came from that 'bewitched' instrument. It had something to say to me that no disc or record had ever said. There were air, earth, water and fire in the music. It was life—genius incarnate.

"And it is this reproducing piano—the Ampico—that has made a new place of my home. My wife and children are delighted with it. And to me, left to myself these lonely summer evenings, it is a comfort and pleasure beyond words. When you have heard the Ampico reproduce the playing of great masters you will not be without one in your own home. To you, as to us, 'Ampico' will mean musical perfection."

IN your own home you may have music such as this. Music for you, your family and your friends, that it would cost thousands to duplicate on the concert stage. To your home life the Ampico adds the perfecting touch of exquisite music.
