A Great Household Convenience

A pound package of Krystalak will make five quarts of milk for cooking, at a good deal less than you pay for regular milk. It is just pure, dry, separated milk from which all the water has been expelled. Keep it on your pantry shelf and make milk whenever you need it by adding four level tablespoons of Krystalak to one cup of water. Approved by Dr. Wiley, Good Housekeeping Institute and leading domestic science authorities.

KRYSTALAK

Cuts Down the Milk Expense

The milkman may fail you—you may run out of milk or it may sour, but with a carton of Krystalak at hand you are never forced to go to the store for milk. It saves a lot of money, too. Will keep for weeks. Requires no icing. Clean and pure, without sweetening or adulteration.

Carry in your pocket two or three envelopes of **Allen's Foot-Ease**

The Antiseptic, Healing Powder. Soldiers use the shoe and freshens the feet. Foot-Ease. The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. When writing to your Soldier and Sailor friends in Training Camps and Cantonnments, why not enclose an envelope or two of Allen's Foot-Ease.
