

Practically every Hawaiian song ever written mentions this beach—Waikiki. Not so ukulele-looking after all, is it?

**For cleansing, one cream—  
For protection, an entirely  
different cream**

To give your skin the loveliness it should have, two entirely different creams are needed—an oil cream for cleansing, and a non-oily cream for protection

**T**HE skin is constantly being toughened and coarsened by its daily exposure to wind and dirt. Unless you take care to cleanse it thoroughly of all impurities at night and to protect it properly during the day, you deliberately sacrifice the clear, fresh-looking complexion you could so easily have.

**Cleanse the skin thoroughly each night**

Particularly at the end of a windy, dusty day the pores of your skin are filled with fine particles of grime and dirt. To make the skin clear and fine textured, it must be kept thoroughly cleansed.

Before going to bed, cleanse the skin liberally with Pond's Cold Cream. The soothed, refreshed feeling will be noticeable at once.

You will find Pond's Cold Cream a perfect oil cream for massage as well as for cleansing.

**Protect your skin all winter**

Every woman who cares about her appearance knows that in cold winter days the skin must be especially protected to prevent its becoming rough, red and chapped. You can protect your skin from wind and cold, can keep it soft and smooth by applying a little Pond's Vanishing Cream just before you go out.

Rub it lightly into your skin. At once it disappears without leaving a trace of disagreeable shine. By taking this simple precaution, you can keep your skin lovely all winter.

The very first application will show you how much your skin is benefited.

Pond's Vanishing Cream is wholly different from any other cream you have ever used. It contains no oil and cannot make the skin shiny. Its purpose is to give you a pure, greaseless cream for use in the daytime; to protect your skin from dirt, wind and chapping; and for use

The nightly cleansing and massage with Pond's Cold Cream keep the skin clear and smooth

in the evening or whenever you want to freshen your skin and make it especially lovely.

**Famous women who use it**

Billie Burke, Frances Starr, Martha Hedman, Elsie Janis, Norma Talmadge, Marion Davies, Mabel Taliaferro, Marjorie Rambeau, and others of the most famous women of the stage use Pond's Vanishing Cream constantly.

All of the ingredients of Pond's Cold Cream and Pond's Vanishing Cream have been carefully selected and tested. Only the purest and freshest are used. Neither cream will grow hair or down on the skin. Try them both for a week and notice how much lovelier your skin looks.

**Free sample tubes**
