**The New Premier Pathéscope  
Flickerless, "Safety Standard" Motion Picture Projector**

Embodies seven years of successful experience gained in the world-wide sale and use of over 10,000 former models in exclusive City and Country Homes, Schools, Churches, Clubs and Commercial Establishments.

The New Premier is as great an improvement over the former models as the modern self-starting high-powered limousine is superior to the auto of ten years ago. So simple that anybody can operate it. So exquisitely built that its pictures amaze and delight the expert critics. So safe with its narrow-width, slow-burning film that it is labeled by the Underwriters' "Enclosing booth not required."

Can be used anywhere without a licensed operator or insurance restrictions.

Weights only 23 pounds with universal motor. Fits in a small suitcase for the traveller or can be mounted on a handsome cabinet.

Through the Pathéscope Film Exchanges already established in principal cities the Pathéscope owner may rent or exchange reels as often as desired.

Nearly 1500 reels of the world's best Dramas, Comedies, Animated Cartoons, Scientific, Travel, Educational and War Pictures now available, and more added weekly.

Think of having Mary Pickford, Charlie Chaplin, Wm. S. Hart in your own home,—or you can!

**Take Your Own Motion Pictures**

with the Pathéscope Camera, as hundreds are doing, and preserve a priceless record of loved ones—in living, fascinating action on the screen.

Agencies in Principal Cities

We number among our patrons Vincent Astor, Mrs. J. Ogden Armour, Frederick G. Bourne, Geo. W. Baker, Mrs. Edwin Gould, H. O. Havemeyer, Jr., Otto Kahn, Chas. S. Mellen, Henry C. Phipps, Mrs. Jacob Schiff and Mrs. Alfred G. Vanderbilt.

**Schools and Institutions**

Over two hundred thousand Public School children see Pathéscope Educational Pictures every week through the equipment of only one hundred of the New York Public Schools.

All schools need and should have them. Many now used and more needed by the Y. M. C. A., Boy Scouts, Camp Fire Girls, Christian Endeavor Society, Epworth League, Social Settlement Workers, Parents Associations, Industrial Welfare Societies, Orphan Asylums, Convalescent Homes, Sanitariums—everywhere that life can be made better worth living by the safe use of wholesome motion pictures.

**Industrial Users**

We number among our clients the most prominent manufacturers using motion pictures as an aid to salesmanship.

Many of them adopted the Pathéscope after unsatisfactory and expensive efforts to use unimproved projectors with dangerous celluloid films. The salesman equipped to show his product by motion pictures not only gets a showing but gets the order.

Literature on request if not convenient to call at the Pathéscope Salon for a demonstration.
