

Better for
Cooking than
Bottled Milk

A Pound Package of Krystalak
Equals 5 Quarts of Milk

A one-pound package makes 5 quarts of clean, pure, nourishing milk, handy and ready for use for any cooking purpose, whenever you want it. No question about its purity or freshness. Krystalak in its sanitary waxed package keeps fresh and usable for months, and eliminates sour-milk waste.

KRYSTALAK

Pure, clean, nourishing separated
milk in crystal form

All the water has been taken out. Krystalak in this new form revolutionizes the use of milk for cooking. How often you have needed just a little more milk or wanted an additional dish for dinner which required more milk. With Krystalak on your shelf you always have the quantity of milk just as you need it.

How to Use Krystalak

Dissolve 4 level tablespoonsful of these milk crystals in one cup of water. One cup of Krystalak makes one quart of milk. Stir a few minutes and it dissolves immediately.

Speak to your grocer about Krystalak now and insist upon getting the original blue-striped package. If he hasn't it in stock he can easily get it for you. Our free Cook Book makes the use of Krystalak easy and economical. Write us or secure a copy from your grocer.

Sonora

THE INSTRUMENT OF QUALITY
CLEAR AS A BELL

The Instrument
You Want

THE sweet, clear, natural tones can be made strong and resonant, or faint and low, by means of the patented Sonora Tone Control; but whether vigorous or repressed the tone is like crystal, accurate and distinct.

At the Panama-Pacific Exposition it was the Sonora that won the highest score for tone quality against the competition of every other phonograph.

There is a reality, a mellowness, a fine vitality to the Sonora (which plays all makes of disc records perfectly without extra attachments) that place it in a class alone.

Prices \$50 to \$1000

"Hey Tom!"

DO YOU remember when Tom Sawyer went swimming and had everything hidden so carefully so that Aunt Polly couldn't find out?—

Aunt Polly had sewed up his shirt that morning—

But Tom had carefully re-sewed it, so he thought he was safe. But alack and alas! he used black thread instead of white.

Once more you will laugh with Tom Sawyer and Huck Finn—but you will want to cry as you laugh. For behind the joy of youth is the reality of life—the philosophy you did not see when you were a boy.

MARK TWAIN

25 volumes—Novels—Boys' Stories—Humor—Essays—Travel—History

While he lived, we loved him. He made us laugh, so that we had not time to see that his style was sublime, that he was biblical in simplicity, that he was to America another Lincoln in spirit. We watched for his great white head in the crowds—we hung on his every word—we smiled, ready to laugh at his least word. But now he is gone—we love him—yes—he's still the familiar friend—but he has joined the immortals. More than Whitman—than Longfellow—than Poe or Hawthorne or Irving—he stands for America—with the great of the earth—the Homer of this new land—a prince of men—a king among dreamers—a child among children.

The Great American

He was American. He had the idealism of America—the humor, the kindness, the reaching toward a bigger thing, the simplicity. In this work we find all things, from the ridiculous in "Huckleberry Finn" to the sublime of "Joan of Arc"—the most spiritual book that was ever written in the English language, of serene and lovely beauty, as lofty as Joan herself. A man who could write two such books as "Huckleberry Finn" and "Joan of Arc" was sublime in power. His youth and his laughter are eternal; his genius will never die.

Low Price Sale Must Stop

Mark Twain knew what hard times meant—and he wanted every one in America to own a set of his books. So one of the last things he asked was that we make a set at so low a price that every one might own it. He said: "Don't make fine editions. Don't make editions to sell for \$200 and \$300 and \$1000. Make good books, books good to look at and easy to read, and make their price low." So we have made this set. And up to now we have been able to sell it at this low price.

Rising costs make it impossible to continue the sale of Mark Twain at a low price. New editions will cost very much more than this Author's National Edition. A few months ago we had to raise the price a little. That raise in price was a very small one. It does not matter if you missed it. But now the price must go up again. You must act at once. You must sign and mail the coupon now. If you want a set at a popular price do not delay. This edition will soon be withdrawn and then you will pay considerably more for your Mark Twain.

The last of the edition is in sight. There will never again be a set of Mark Twain at the present price. Now is your opportunity to save money. Now—not tomorrow—is the time to send the coupon to get your Mark Twain.
