On Saturday, May 3rd, the other part of the Hotel Belleclaire, which is the Belleclaire Golf and Country Club, will make its formal bow at its home, Bayside, Long Island.

We confidently expect that all improvements to the Club House will be completed at that time.

Improvements thus far have delighted the men and women who have become members of this Good Fellowship Golf, Motorist and Tennis Country Club.

The Club House is very quaint, very homey, very attractive.

The Golf Course is a peach. The surroundings, in whichever direction one looks, are very appealing.

I think the members of the Club and their friends will be pleased with our Housewarming.
