WOMEN'S SUITS of Lochspun

REG. APPLIED FOR

AN ENTIRELY NEW—EXCLUSIVE FABRIC

LOCHSPUN is an origination of this very original Shop — a soft, non-crushable, knitted fabric of wonderful texture and incomparable colorings. It possesses the merits of wool Jersey plus many improvements.

The firm even texture with its soft brushed finish, insures against pulling, sagging or stretching, and lends itself admirably to skillful tailoring. A Lochspun suit can be rolled up—packed into a small bag — unpacked after several days journey and be worn without showing a perceptible wrinkle.

Lochspun Suits are a satisfying combination of formality and informality, equally appropriate for the *tea* at the country club or the *tee* of the golf links.

The colorings are Heather mixtures in brown, blue, green or Oxford, and the models are distinctly English.

THIRTY DOLLARS

Suits of Lochspun are sold exclusively by FRANKLIN SIMON & CO.

BOHN SYPHON REFRIGERATOR

The lining of porcelain fused into steel (a single piece in all but the very largest models) is far different from the ordinary enamel paint which is so often called "porcelain." The Bohn porcelain will not crack or chip. The corners are round—no place for food particles or dirt to lodge. The drain is in front where it can be cleansed easily and frequently without removing the contents of the refrigerator.

The Syphon System of rapid air circulation from ice to food compartment and the 10-layer, heat-resisting walls (including Flaxlinum, the exclusive Bohn insulation) hold the temperature very low.

Because of the Syphon System, no moisture condenses on the food. Condensing moisture contaminates foods, causing butter or cream to smell and taste like bananas, onions, cheese, etc. Foods come fresh and fragrant from a Bohn Syphon. You can strike a match anywhere on the lining—it is so dry.

The original cost comes back to you in reduced ice bills. Superior insulation and the Syphon System both contribute to ice economy. The Bohn Syphon is known everywhere as a great ice saver.

Let us demonstrate these and other Bohn points. Bohn Syphon and other Bohn Refrigerators are shown here in great variety, at prices from $19 up. If you cannot call, write for a catalog.
