

HOTEL BELLECLAIRE
NEW YORK

Broadway at 77th St.
Surface Cars at Door
Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

People who patronize New York hotels do not any longer recognize sections of the city. Time was when 77th Street at Broadway was considered far uptown, but now that we have popularized the Hotel Belleclaire at this location, it is now considered as much the center of the city as the downtown section.

The Belleclaire has never been as prosperous in any season as it is right now during this summer, which is due, I think, largely to the fact that the upper West Side in New York is regarded as a great summer resort.

Don't forget that the big rooms in the Belleclaire add much to the comfort of guests; also that the good food served makes them feel at home.

CHINA

868-103-Piece Ming China Dinner Set, Special Price, \$175.00.

LONG before you were born, Ovington's was well established as a china house where smart designs and reasonable prices went hand in hand.

To-day it is known throughout America as the pre-eminent place to buy smart gifts, but Ovington's china is still equaled by few in variety and beauty and by none in value.

ALBODON
The Dental Cream That never Hardens

An Ideal Dentifrice For All the Family

EVERY mother does her utmost for the welfare of her children. Not all, however, are awake to the importance of selecting the dentifrice as carefully as the food and clothes. Some dentifrices contain drugs; others heavy chemicals. Some are actually gritty enough to scratch glass! It is well to know what a dentifrice contains before giving it to a child.

ALBODON DENTAL CREAM is in no sense a secret formula. Dentists know it and they recommend it. It is possible to grow up with strong, white, healthy teeth, free from serious dental trouble, by the daily faithful use of this fine cream. Start them on it at the age of 3½, when the temporary teeth are in.

pure cleansing and polishing ingredients. These are combined with a delightful "smacky" flavor. Its uniform consistency prevents hardening in any weather. Its safe, antiseptic properties assure a sweet breath and sanitary, germ-free mouth. Yet ALBODON has no harmful grit, drugs or artificial coloring to injure the child's teeth.

What is good and safe for children is equally so for the grown members of a family.

KRYSTALAK

Pure, Clean, Nourishing Milk in Crystal Form

You can eliminate your hot weather milk troubles by using Krystalak for all cooking purposes. No Ice Required.

Krystalak is dry skimmed milk. The butter fat is taken out so that it will keep indefinitely. These dry flaky crystals are packed in a blue-striped waxed package; positively free from moisture or contaminating influences. Your grocer has Krystalak. If perchance he hasn't, do not accept a substitute, for he will gladly secure it for you thru his jobber. Just insist upon Krystalak in its blue-striped sanitary package.

Ask your grocer or write us for a copy of our free cook book—it makes the use of Krystalak easy and economical.

The Dry Milk Company
15 Park Row, New York City

How to Use Krystalak
Each package of Krystalak milk crystals will make 5 quarts; one cup makes one quart and four level tablespoons make one cup of milk. Add the Krystalak to the water and stir—it dissolves immediately.
