Pure, Clean, Nourishing Milk in Crystal Form

You can eliminate your hot weather milk troubles by using Krystalak for all cooking purposes. No Ice Required. Krystalak is dry skimmed milk. The butter fat is taken out so that it will keep indefinitely. These dry flaky crystals are packed in a blue-striped waxed package; positively free from moisture or contaminating influences. Your grocer has Krystalak. If perchance he hasn't, do not accept a substitute, for he will gladly secure it for you thru his jobber. Just insist upon Krystalak in its blue-striped sanitary package. Ask your grocer or write us for a copy of our free cook book—it makes the use of Krystalak easy and economical.

The Dry Milk Company

How to Use Krystalak

Each package of Krystalak milk crystals will make 3 quarts; one cup makes one quart and four level tablespoons make one cup of milk. Add the Krystalak to the water and stir—it dissolves immediately.

For Autumn  
The **Lochspun** Sports Suit

SMART AS ITS NAME IS CANNY

ON crisp Autumn days, when the grass begins to brown and crackle underfoot, the golf course holds out more charms than ever. Then a comfortable Autumn sports suit is just as essential to a good game as a good brassie. And by the same token, that it be smart looking is just as essential to the enjoyment of the motor trip beforehand, and the cup of tea afterward.

In "Lochspun" the requirements of both comfort and smartness for golf are met, as well as those of the long tramp along the seashore, the climb among the hills, or the lazy late afternoon on the Country Club veranda.

"Lochspun" combines the virtues of a noncrushable knitted fabric with the sturdy close-woven texture of a homespun. Lochspun is a material originated by, and exclusive with, Franklin Simon & Co.

"Lochspun" suits of brown, Oxford, blue or green heather mixtures, English in cut, impeccably tailored.

CHINA

LONG before you were born Ovington's was well established as a china house where smart designs and reasonable prices went hand in hand.

To-day it is known throughout America as the pre-eminent place to buy smart gifts, but Ovington's china is still equaled by few in variety and beauty and by none in value.
