

Berlin is taking measures to bring back to health her children who were underfed during the war and generally are in a weakened condition. Here is an open air geography class in the woods contemplating the changes wrought by the war in the map of "Deutschland."

"Hey, Tom!"

DO YOU remember when Tom Sawyer went swimming and had everything hidden so carefully so that Aunt Polly couldn't find out?

But Tom had carefully reseeded it, so he thought he was safe. But alack and alas! he used black thread instead of white.

Aunt Polly had sewed up his shirt that morning—

Once more you will laugh with Tom Sawyer and Huck Finn—but you will want to cry as you laugh. For behind the joy of youth is the reality of life—the philosophy you did not see when you were a boy.

MARK TWAIN

25 Volumes

Novels---Boys' Stories---Humor---Essays---Travel---History

When he lived, we loved him. He made us laugh, so that we had no time to see that his style was sublime, that he was biblical in simplicity, that he was to America another Lincoln in spirit. We watched for his great white head in the crowds—we hung on his every word—we smiled, ready to laugh at

his least word. But now he is the immortals. More than Whitman—than Longfellow—than Poe or Hawthorne or Irving—he stands for America—with the great of the earth—the Homer of this new land—a prince of men—a king among dreamers—a child among children.

The Great American

He was an American. He had the idealism of America—the humor, the kindness, the reaching toward a bigger thing, the simplicity. In this work we find all things, from the ridiculous in "Huckleberry Finn" to the sublime of "Joan of Arc"—the most spiritual book that was ever written in the

English language, of serene and lovely beauty, as lofty as Joan herself. A man who could write two such books as "Huckleberry Finn" and "Joan of Arc" was sublime in power. His youth and his laughter are eternal; his genius will never die.

Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

It is pretty hard for the guests of the Belleclaire to distinguish one season of the year from another because of the uniform comforts they enjoy all the year 'round. The atmosphere is so homelike, the environment so pleasant, the cooking so good, the service so excellent—and the even temperature is always so manifest that guests do not bother about anything. The coldest day in winter, the calmest spring day, the hottest day in summer, and the bracing fall day are all alike in their measure of comfort—inside the hotel. Don't overlook this fact.
