

“Golden Gate” (Open for Me)

-the New Song-Hit that
Plays On Your Heart-Strings

SURELY you've heard "Golden Gate"—they're singing it at the theatres—playing it in the restaurants. And surely you LOVE "Golden Gate"—for its wonderful rich melody that bewitches your heart—for its beautiful sentiment that awakens old memories and taunts new dreams.

"Golden Gate" is a wonderful song—a sensational hit—written by the famous writers of "I'm Forever Blowing Bubbles." That 100,000 copies of "Golden Gate" were sold in the first twenty-four hours of its existence in sheet music is evidence that it is one of the greatest song-hits of the hour.

(Take this chorus to your piano and try out the beautiful melody)

"Golden Gate"
by Kendis and Brockman

Gold-engage, Gold-engage, by the sea, Some-one's

ship comes a-sail-ing Hap-py I will
be, — Op-en wide, swing a-side, Gold-engage,
