*Number Nine of the*  
**Tribune Series of the Greatest Scenic Wonders of America**  
**El Capitan, Yosemite National Park**

**SUPERB** in its majestic beauty El Capitan, a gigantic block of solid granite, each of whose several faces shows a smooth polished surface of more than 160 acres, towers 3,600 feet above the Merced River. Here it stands, reflected in the river's depths, a veritable rock of ages.
