HOTEL BELLECLAIRE
NEW YORK

Broadway at 77th St.
Surface Cars at Door
Subway at 79th St.

Only a few minutes from the Shopping and Theatrical District.

This is the first time in the history of the Belleclaire Hotel that the month of October has opened with every apartment leased and more people knocking at the door every week, wishing apartments, than have been accommodated with leases.

It would be an easy matter to lease every one of the 300 rooms in the hotel, but a liberal proportion of them must be kept in reserve for transient guests, friends of many years' standing, who come to us from all parts of the world and expect us to accommodate them.

The Belleclaire policy is never to forget friends.

New Yorkers who dine out occasionally or often will find the meals at the Belleclaire to their liking, particularly if they are fond of good home cooking of simple, tasty, health-giving dishes. The service is as good as the meals.
