Trilby HEEL GRIPS

No More Loose Shoes

IF your shoes get loose and slip up and down at the heels, you need Trilby Heel Grips. These velveteen - covered pneumatic tubes end needless annoyance by holding shoes firmly on the feet. Easily attached. Invisible in wear. Economical, too, because they prevent stockings wearing into holes and preserve the shoe lining. Remember the name—Trilby Heel Grips. Women's "Parfait" Corsets

FOR AUTUMN and WINTER

The Lochspun Sports Suit

REG. APPLIED FOR

SMART AS ITS NAME IS CANNY

ON crisp Autumn days, when the grass is brown and crackles underfoot, the golf course holds out more charms than ever. Then a comfortable sports suit is just as essential to a good game as a good brassie. And by the same token, that it be smart looking is just as essential to the enjoyment of the motor trip beforehand, and the cup of tea afterward.

In "Lochspun" the requirements of both comfort and smartness for golf are met, as well as those of the long tramp in the woods, the climb among the hills, and all the outdoor sports which lap over into the Winter.

"Lochspun" combines the virtues of a non-crushable knitted fabric with the sturdy close-woven texture of a homespun. Lochspun is a material originated by, and exclusive with, Franklin Simon & Co.

"Lochspun" suits of brown, Oxford, blue or green heather mixtures, English in cut, impeccably tailored.

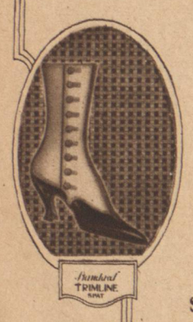
"Standard" SPATS

REG U S PAT OFF

Unless they fit with glove-like snugness, spats mar rather than complete the costume, and detract from the charm of the feminine foot.



The "Trimline" and "Boot Top," two leading "Standard" Spats, cling to the ankle with "tailored-to-order" snugness.

Made in the exclusive "Rautex" fabrics — cloth, silk, satin and linen. White and all fashionable shades.

Ask for "Standard" Spats at the better shops. The "Standard" stamp inside the spat assures faultless fit and longest wear.
