Loose Shoes!
If your shoes get loose and slip up and down at the heels, you need Trilby Heel Grips. These velveteen-covered pneumatic tubes end needless annoyance by holding shoes firmly on the feet. Easily attached. Invisible in wear. Economical, too, because they prevent stockings wearing into holes and preserve the shoe lining. Remember the name—Trilby Heel Grips—Black, brown or white. 25c the pair at your dealer's. Or write
