## Trilby HEEL GRIPS

**No More Loose Shoes!**  
If your shoes get loose and slip up and down at the heels, you need Trilby Heel Grips. These velveteen-covered pneumatic tubes end needless annoyance by holding shoes firmly on the feet. Easily attached. Invisible in wear. Economical, too, because they prevent stockings wearing into holes and preserve the shoe lining. Remember the name—Trilby Heel Grips. Black brown or white. 25c the pair at your dealer's. Or write

## Vanity Fair SILK UNDERWEAR

Every Vanity Fair article of glove silk loveliness has special features of comfort and beauty, and these little details are well worth your while insisting that the little Vanity Fair label is in every Vest, Union, Step-in Envelope Chemise, Knicker and Pettibocker you buy!  
The Vest boasts four inches more than other silk vests; the

Union is quite as different—it has a lap that keeps the union closed; the Vanity Fair Envelope Chemise is a step-in raised to the 'nth degree; the Knicker has a double thickness of glove silk in the back, from belt to knee, and the Pettibocker links bifurcated comfort with be-ruffled frivolity just as its name points out!
