

For Every Woman

This fascinating collection of six dainty pink-packaged Toilet Requisites, all in a convenient rose-tinted box—fragrant, refined—will appeal at once to you if you've ever used Hinds Cream.

In winter for rough, chapped skin, as in summer for sunburn, and at all times to cleanse, soften and freshen the skin, there's nothing better than

Hinds Honey and Almond Cream

Copyright 1919
A. S. Hinds

The price of this Week-End Box is only 50c postpaid in America. Ask your dealer first, but if he cannot supply you, write us without delay.

The regular bottle of Hinds Honey and Almond Cream is selling everywhere. There is a Trial size bottle in this box; also Trial sizes of the other articles except the Cold and Disappearing Creams, which are generous sample tubes.

The College Girl and the Girl at Home will be delighted to receive, or to give, this useful little remembrance.—Price 50c postpaid.

Hinds Honey and Almond Cream: Improves the complexion. Refines the hands.
Hinds Cold Cream: Semi-greaseless, highly refined. For complexion and massage.
Hinds Disappearing Cream: Vanishing, greaseless, fragrant, cleansing. Relieves catchy fingers. Ideal base for face powder.
Hinds Cre-mis Soap: Adds to the skin health and beauty of its users. Makes a rich, creamy lather in soft or alkaline water. Has unusual cleansing and softening qualities.
Hinds Cre-mis Face Powder: Wonderfully soft, delicate and clinging. White and all tints.

Hinds Cre-mis Talcum: Charms by its fragrance; purified, borated. Superfine quality.

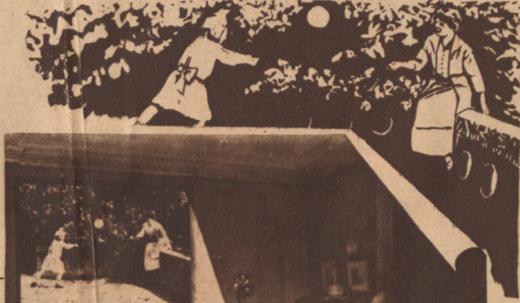

SAMPLES: Be sure to enclose amount required but do not send foreign money or stamps. Hinds Honey and Almond Cream 2c. Both Cold and Disappearing Cream 4c. Talcum 2c. Trial Cake Soap 8c. Face Powder, sample 2c; trial size 15c.

Hinds Cream Toilet Necessities are selling throughout the world. Mailed postpaid in U.S.A. from laboratory if not easily obtainable.

Operators, Machines and Films Furnished for Evening Entertainments, Etc. Motion Pictures Taken of Social Events and Intimate Home Life

A Xmas Gift for the Whole Family For a Lifetime

The New Premier Pathéscope Flickerless "Safety Standard" Motion Picture Projector

Embodies seven years of successful experience gained in the world-wide sale and use of over 10,000 former models in exclusive City and Country Homes, Schools, Churches, Clubs and Commercial Establishments.

The New Premier is as great an improvement over the former models as the modern self-starting, high-powered limousine is superior to the auto of ten years ago. So simple that anybody can operate it. So exquisitely built that its pictures amaze and delight the expert critics. So safe with its narrow width, slow-burning film that it is labeled by the Underwriters "Enclosing booth not required."

Can be used anywhere without a licensed operator or insurance restrictions.

The operation of any portable projector using celluloid films, without a fire-proof enclosing booth, is prohibited by State, Municipal and Insurance restrictions, and the violator is subject to penalties.

Weights only 23 pounds with universal motor. Fits in a small suitcase for the traveller or can be mounted on a handsome cabinet.

Through the Pathéscope Film Exchange already established in principal cities the Pathéscope owner may rent or exchange reels as often as desired.

Nearly 1,600 reels of the world's best Dramas, Comedies, Animated Cartoons, Scientific, Travel, Educational and War Pictures now available, and more added weekly.

Think of having Mary Pickford, Charlie Chaplin, Wm. S. Hart in your own home—or you can

Take Your Own Motion Pictures

with the Pathéscope Camera, as hundreds are doing, and preserve a priceless record of loved ones—in living, fascinating action on the screen.

The Pathéscope Co. of America, Inc.

Suite 1818, Aeolian Hall, New York City.
Agencies in Principal Cities

We number among our patrons Vincent Astor, Mrs. J. Ogden Armour, Frederick G. Bourne, Geo. F. Baker, Jr., Mrs. Edwin Gould, Mrs. Pembroke Jones, H. O. Havemeyer, Jr.; Otto Kahn, Chas. S. Mellen, Henry C. Phipps, Mrs. Jacob Schiff, Mrs. Alfred G. Vanderbilt, F. W. Woolworth and others.

Schools and Institutions

Over two hundred thousand Public School children see Pathéscope Educational Pictures every week through the equipment of only one hundred of the New York Public Schools.

All schools need and should have them.

Many now used and more needed by the Y. M. C. A., Boy Scouts, Camp Fire Girls, Christian Endeavor Society, Epworth League, Social Settlement Workers, Parents Association, Industrial Welfare Societies, Orphan Asylums, Convalescent Homes, Sanitariums—everywhere that life can be made better worth living by the safe use of wholesome motion pictures.

Industrial Users

We number among our clients the most prominent manufacturers using motion pictures as an aid to salesmanship. Many of them adopted the Pathéscope after unsatisfactory and expensive efforts to use unapproved projectors with dangerous celluloid films. The salesman equipped to show his product by motion pictures not only gets a showing but gets the order. Literature on request if not convenient to call at the Pathéscope Salon for a demonstration.

A new kind of Christmas Gift the non-breakable vacuum bottle

Carried by Lt. Commander Read and all the overseas fliers

ARE you giving the same old, conventional presents this Christmas—the kind that you have been giving year after year?

Or are you planning gifts that will be a surprise—that will bring your friends an entirely new pleasure?

Today you can give a unique gift—a vacuum bottle, made of steel, lined with amalite and **absolutely unbreakable**. No glass fillers to replace—no more money wasted.

The new Stanley Vacuum Bottle will not break even if it is dropped. It keeps liquids hot or cold—always ready.

In the home, on motoring trips, on picnics, camping, at the office, the Stanley Ferrostat Vacuum Bottle is a necessity. It is a new kind of Christmas gift used and enjoyed all the year round.

Over 70,000 already in use

Over 70,000 Stanley Vacuum Bottles are already in use in all kinds of climates under all sorts of conditions.

The Stanley provided the steaming hot coffee which stimulated the plucky fliers of the NC-4 when they made their historic flight across the ocean.

On their overseas flights Hawker and Alcock used the Stanley Bottle.

The U. S. Navy adopted it after characteristically thorough tests.

It has accompanied explorers to all parts of the earth. It is now being used by the Heller expedition over the Livingston trails in Africa.

Its first cost is the last cost
Naturally, the initial cost of the Stanley is higher than other vacuum bottles, but in the end the Stanley is the most economical investment.

There is no cost of upkeep or refills for the Stanley—the first cost is the last cost.

This Christmas give your friends a Stanley Ferrostat Vacuum Bottle. It is on sale at the best department, drug, sporting, hardware, jewelry and automobile accessory stores. Get a Stanley Vacuum Bottle from your dealer today. Stanley Insulating Company, 43 Exchange Place, New York.

IT WILL NOT BREAK

Even if it falls off the table or from an upstairs window, the Stanley Vacuum Bottle will not break

STANLEY VACUUM BOTTLE FERROSTAT

It will not break

Photographing Children

is an art that calls for an understanding and love of children, as well as a technical knowledge of photography. The **Chaplain Studios** have reached the highest development in child photography, exercising always the greatest sympathy and understanding in the posing of children. Don't delay in getting a permanent record of those adorable children before they're children no longer. We practice the same infinite care in posing the elders that we do with the children. Telephone for an appointment. Use the Special Offer to Tribune Readers 392 Fifth Ave., Corner 36th St., New York Also 306 Fifth Ave., bet. 32d & 31st Sts., New York
