

# HOCKEY TEAMS PLAYED A TIE.

## New York A. C. and St. Nicholas Men Scored Two Goals Apiece.

### AN EXTRA HALF PLAYED. A Large Crowd of Fashionable People Applauded Every Good Move.

By far the best hockey game of the season took place last night in the St. Nicholas rink, when the New York Athletic Club and St. Nicholas Skating Club teams played a tie game, each side scoring two goals. An extra half of ten minutes was played under mutual agreement, but as neither side could score the game ended in a tie.

The game drew a big and fashionable gathering of spectators who wildly applauded every play. The New York men excelled in team work and put up a rather rough game, while the St. Nicholas players did the most individual work, but did not play well together.

The New Yorks got the puck on the play-off, and kept the St. Nicholas players busy for a time defending their goal. Crowninshield, however, for the home team did heroic work and drove the puck all over the ice. The New Yorks soon scored a goal, after two minutes play, through an error of Hewitt in a scrimmage.

After this the game was repeatedly stopped for off-side work of the Mercury-foot players. Wrenn, of the St. Nicholas, made a very pretty run through the entire New York team, but on passing the puck to Crowninshield the latter twisted his wrist and was forced to retire from the game. His place was taken by Robb, the well-known Princeton athlete.

After some good defensive work on both sides, Callender, of the St. Nicholas, got the puck and darted through the entire New York team, scoring a goal and tying the score, after sixteen minutes' play.

Immediately after the face-work Fenwick got a chance and shot the puck for the St. Nicholas goal. Fenwick made a good stop and return, but Fenwick got the puck again, and this time shot a goal, so the score at the end of the first half was 2 to 1 in favor of the New Yorks.

In the second half, directly after the puck was put in play, Fenwick made no less than six skates for the St. Nicholas goal, but they were generally cleverly stopped by Hewitt. Callender had a number of chances, but fumbled the puck or slipped up in almost every instance. Finally, on a pretty pass from Larnard, Callender shot a goal for the St. Nicholas and tied the score amidst great applause after ten minutes' play.

No further scoring was done up to the end of the half, so the teams agreed to play an extra ten minutes, but with no better result, and the game ended in a tie. For the New Yorks, Fenwick, Lynch and Waters, a newcomer, did the best work, while Wrenn and Callender distinguished themselves for the St. Nicholas. The line-up:
