Powerful British Guns That Hurled Destruction

SO INTENSE WAS THE BOMBARDMENT OF THESE GUNS THAT THEIR ROAR WAS HEARD IN ENGLAND. DEATH SPOKE FROM THEIR MUZZLES AS THEY THREW THEIR HUGE PROJECTILES INTO THE GERMAN LINES.

BRITISH GUN CREW SERVING THEIR PIECE ON THE FLANDERS FRONT IN SUMMER HEAT THAT MADE IT NECESSARY FOR THEM TO STRIP TO THE WAIST. NOTE THE CAMOUFLAGE THAT HELPS TO CONCEAL THE GUN'S POSITION.
