

Fighting on Land and Water in the German Colonies

ABOVE ARE SEEN BRITISH ARMORED MOTOR BOATS PLYING ON LAKE TANGANYIKA IN THE GERMAN EAST AFRICAN OPERATIONS. THE BOATS WERE SUPPLIED WITH THE LATEST TYPES OF CANNON AND MACHINE GUNS.

(AT LEFT.), GERMAN CAMEL CORPS IN EAST AFRICA. THIS COLONY PUT UP A DETERMINED RESISTANCE AND PROLONGED HOSTILITIES OF A GUERRILLA CHARACTER TO THE VERY END OF THE WAR.

WHEN THE TOWN OF DAR-ES-SALAM WAS SHELLLED BY THE BRITISH, THE CAVE-LIKE SHELTERS DUG IN THE SIDE OF THIS ROUGH RECTANGLE WERE USED BY THE INHABITANTS TO ESCAPE THE EFFECTS OF THE BOMBARDMENT.
