Bing Toys

The World's Best Toys for Christmas Giving

What little girl would not be pleased with a practical kitchen stove on which she could really cook, with unbreakable enamel dishes for her dinner service? There are hundreds of Bing Toys to delight the little housekeeper. Every toy stamped with the celebrated Bing Trademark is absolutely accurate in design, fully guaranteed and kept in repair free for a reasonable time.

Take the little ones to the nearest toy store and show them the wonderful Bing Plush Animals, designed from life by the famous German animal painter Weidlich. Bears that growl, little pink pigs, life-like giraffes—all the animals you would find in a menagerie, unbreakable and without any hard points to injure the youngster when he plays.

For the boys, there are fascinating mechanical toys—railroad trains and trolleys that run by electricity or operate mechanically. Bing Boats are modeled after the war vessels of the United States Navy. A submarine really dives under water and emerges at high speed.

For your protection the BING Trademark is stamped on, or affixed to, every toy we make. It is your guarantee of the highest grade materials and expert workmanship of the Master Toy-makers of Nuremberg, Germany.

Bing Toys are sold at all good Toy and Department Stores.

When you go to your favorite store for toys, specify "Bing" toys and ask for the Bing catalogue. It will assist you in making a careful selection.

JOHN BING,
581 Fourth Avenue,
New York City.

A PERFECT FIGURE MAY BE YOURS

Your appearance depends greatly upon your figure. The beauty of your figure depends largely upon you.

How to Perfect Your Figure, Reduce or Increase Your Weight.

Devote fifteen minutes daily to my system and you can weigh what Nature intended. You can reduce any part of your figure burdened with superfluous flesh or build up any part that is undeveloped. It can be concentrated on your hips, waist, limbs or any other portions of your body.

It tends to make a figure perfectly proportioned throughout—a full rounded neck, shapely shoulders, arms and legs; a fresh complexion; good carriage, with erect poise and grace of movement.

You Can Improve Your Health

My system stimulates, reorganizes and regenerates the entire body. It helps transform the food into good, rich blood. It strengthens your heart, lungs and other organs, conquering all weaknesses and disorders and generating vital force.

My latest book, "The Body Beautiful," should be read by every woman, and I will send it to you free. It explodes the fallacy that lack of beauty or health cannot be avoided. In it I explain how every woman can be VIGOROUS, HEALTHY and ATTRACTIVE.

I have practiced what I teach. In childhood I was puny and deformed. I have overcome all weaknesses by my own natural, drugless methods. Millions of people have seen in me a living demonstration of my unique system of health culture and body-building. If you are weak, nervous, fat, thin, unshapely, tired, lacking vitality or in any other respect not at your very best, I can surely be of service to you.

My Guarantee

With my free book, "The Body Beautiful," which is fully illustrated with photographs of myself explaining my system, I give full particulars of my Guarantee Trial Plan, whereby you can test the value of my instruction without risking a single penny. This is the only guaranteed Physical Culture Course. Money back after trial, if not satisfied.

Send two-cent stamp for "The Body Beautiful" and Trial Plan to-day.
