A Garden Full of Gladioli for \$1.00

The Gladioli is one of the most satisfactory flowers to grow because it blooms continuously when it is cut and put in water, just as well as when in the ground.

There is no reason why every family cannot enjoy this grand flower, for the simple reason that it is as easy to grow as the potato.

You can have them in bloom from July to frost if you plant a few bulbs each month from April to July.

For only ONE DOLLAR we will send 75 Bulbs of our Grand Prize Mixture, which covers every conceivable shade in the Gladioli Kingdom.

Last year we sold 150,000 of the bulbs and have received hundreds of testimonials of their merit. ORDER YOUR BULBS NOW so as to have them to plant when you begin making your garden. Simple cultural directions with every package.

Send for this advertisement and enclose with Dollar Bill, stamps or Money Order, or present at our new Store and secure this splendid collection of Gladioli Bulbs for only \$1.00 with our 1914 Catalogue.

Prepare your skin for rough winds

To protect your skin, to make it the resistant, attractive skin you want it to be, use the following treatment:

Just before retiring make a warm-water lather of Woodbury's Facial Soap. Rub it into your skin with your finger tips, using an upward and outward motion. Rinse your face and hands thoroughly first with warm water, then with cold. Whenever possible, rub your face for a few minutes with a piece of ice.

Tear out the illustration of the cake below as a reminder to get Woodbury's and begin to-day to use this treatment. It will protect your skin and give it all during cold weather the delicate freshness and glow of health.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

For 4c we will send a sample cake. For 10c, samples of Woodbury's Facial Soap, Facial Cream and Facial Powder. Address The Anderson-Youngens Co., Dept. 21-1, Spring Grove Ave., Cincinnati, Ohio.
