Only by keeping the scalp in perfect health can you keep your hair like you want it

Always remember this fact about your hair

If there is any condition of your hair you want to improve, if it hasn't enough life and gloss, if there is dandruff or too much oil—never forget that the condition of your hair depends on the condition of your scalp.

How to keep the scalp healthy

To keep the scalp healthy and active, shampoo your head regularly in the following way: Rub your scalp fully five minutes with the tips of your fingers to loosen the dandruff and dead skin. Then apply a hot lather of Woodbury's Facial Soap and rub it in. Rinse thoroughly in gradually cooler water, having the final water really cold. Dry perfectly, then brush gently for some time.

The formula for Woodbury's Facial Soap is the work of an authority on the skin and hair. Try one shampoo with it. See what a delightful feeling it gives your scalp.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

Woodbury's Facial Soap

For sale by dealers everywhere throughout the United States and Canada.

Do this today—now!

Tear off the illustration of the cake below and put it in your purse as a reminder to get Woodbury's and try this treatment. Tear off the cake now. Take it to your dealer today. Begin tonight to get the benefits of this FACIAL Soap.
