1915 Models Ready

Pioneer and Still the Leader of all Light-Weight Sixes

CHANDLER LIGHT WEIGHT SIX \$1595

The Chandler weighs only 2885 lbs. It runs 16 miles or more per gallon of gasoline, 700 miles per gallon of oil and 7000 miles per set of tires. Speed, 3 to 55 miles per hour on high.

THE Chandler still leads — not on promises but on performances. The new 1915 price is an instance of its leadership. Such a price — \$1595 — seems impossible but it's true, and the car is an even better car than the 1914 Chandler, which brought the most excellent service to purchasers all over America.

There are no radical changes in the 1915 model. There couldn't be, for the Chandler last year was distinguished by high-class features.
