Hathaway's Autumn Sale

Beginning Monday, September 14

What the Test Has Shown

MOST articles of exceptionally high quality are sold on the theory that the number of sales will be so limited that a large profit on each sale is essential.

It has been the Hathaway idea, however, that an arbitrary reduction of our profit would be equalized by the increased number of sales. The soundness of the plan is shown by the hearty reception it has received from our patrons. We thank them for the co-operation which has enabled us to follow out the idea until it is no longer an experiment but a fundamental principle of our business.

Our Autumn stock is now complete. It includes an abundance of new designs in all the choice woods, a profusion of exquisite pieces for every room. Our designers have fairly outdone themselves in preparation for the present season. We are ready.

How to make your skin fine in texture

As a baby, your skin was fine and smooth. Nature intended you to keep it so. If the delicate pores have become enlarged and coarsened, it is because of cleansing methods unsuited to your skin. As a result, the pores have lost their power to contract and expand as they should. You can restore them to their normal healthy condition and rebuild a smooth-textured skin by persistent use of the Woodbury treatment below.

Begin this treatment tonight

Just before retiring, dip your washcloth in very warm water and hold it to your face. Now take the cake of Woodbury's Facial Soap, dip it in the bowl of water and rub the cake itself over your skin. Leave the slight coating of soap on for a few minutes until the skin feels drawn and dry. Then dampen the skin and rub the soap in gently with an upward and outward motion. Rinse the face thoroughly, first in tepid water, then in cold. Whenever possible, rub the face with a piece of ice. Always dry carefully. Use this treatment persistently for ten days and your skin will show a marked improvement—a promise of that greater smoothness and finer texture that the steady use of Woodbury's always brings.

Do this today—now!

Tear out the illustration of the cake below and put it in your purse as a reminder to get Woodbury's. Tear out the cake now. Take it to your druggist or toilet counter today. Begin tonight to get the benefits of this Facial Soap.
